

The Money Saver Benefit

(or, the “25-cent Per Hour Raise” Plan)

- A “no cost” Employee Benefit Plan
- Worksite Based, personal insurance evaluations
- Savings provide a 25-cent raise* (average results)
- Employer provides one hour of paid time per employee
- Onsite visit by our representative
- Employee must bring paperwork from all current insurance plans
- Insurance Center Group evaluates and quotes options
- Employee is not under any obligation to purchase proposed plans

*Savings based on average results for most employees working 40 hours per week.
